### In-Office Savings Plan Disclaimer:

- This plan cannot be combined with other office discounts.
- You must renew your plan the month of its anniversary to receive increases in % discount for services year over year.
- All members on your plan must maintain the preventive care schedule of at least 2 cleanings, 2 dental exams, and 1-2 sets of checkup x-rays per year. However, some patients may require additional cleanings as indicated by your clinical team. All recommendations must be maintained in order to continue your membership and percentage increases year over year.
- Beyond the third year on the plan you will continue to receive a 30% discount off services. If hygiene appointments are missed or if the annual membership fee is not received the month due, the % of discount resets to 20%.
- Payment for services including annual membership can be paid with cash, debit, and/or major credit card.
- Payments are due at time of service unless arrangements are made prior to treatment being rendered.
